About Us

Our Story

Founded on the principles of integrity, innovation, and community service, the Bhatkar Group of Companies has emerged as a dynamic and diversified organization. With a presence in multiple sectors, our mission is to offer services that are both profitable and socially responsible.

Our Vision

To be a leading name across diverse industries by delivering superior services that enhance business performance and uplift communities.

Our Mission

To continuously innovate, excel, and expand while maintaining our commitment to sustainability, customer satisfaction, and ethical practices.

Chairman's Message

Mr.Kishore Bhatkar

Founder, Chairman, and Managing Director

As the Founder, Chairman, and Managing Director of the Bhatkar Group of Companies, I am proud to lead an organization built on the principles of integrity, innovation, and social responsibility. Our journey began with a vision to create a diverse portfolio of services that not only meet the needs of our clients but also contribute positively to society.

With a strong commitment to ethical practices, we have expanded our reach across various industries, including legal services, manpower solutions, eco-friendly manufacturing, and public welfare initiatives. Our focus on sustainability and community welfare drives every decision we make.

At Bhatkar Group, we believe that success is measured not just by financial performance but by the positive impact we create in the lives of people and the environment. I invite you to explore our diverse services and join us in our mission to foster growth, innovation, and social change.

Together, we can build a brighter future for all.

Core Values

- **Integrity** in every service
 - **Customer-centric solutions**
 - **Sustainable practices**
 - **Social responsibility**

Our Services

Service Industry

Legalangel LLP

At Legalangel LLP, we specialize in providing legal solutions to financial institutions, including banks, with services such as debt recovery, asset sales, and litigation management. Our expertise ensures swift, accurate, and legally compliant services.

Anuchar LLP

We offer comprehensive manpower solutions through Anuchar LLP, ranging from security guards to skilled and unskilled workers. Our services also include developing regulations for housing societies, providing well-trained personnel to municipal corporations, and supporting various industry sectors.

My Garage

At My Garage, we handle all your vehicle service needs with an honest and professional approach. Whether it's a two-wheeler, four-wheeler, or heavy vehicle, we offer full-service inspections, maintenance, and repairs to keep your vehicles in top condition.

Paying Guest Facility

We provide comfortable, affordable, and secure paying guest accommodations in metropolitan areas. Perfect for students, business travelers, and professionals looking for a home away from home.

Public Service

Ariyo Bahuddheshiya Sanstha

We are proud to support social welfare through our public service arm, Ariyo Bahuddheshiya Sanstha. Our initiatives include Tribal Ashram Schools, Old Age Homes, schools for the mentally challenged, and Meditation Centers. We focus on improving lives, promoting education, and providing care for the underserved.

Manufacturing & Trading Industry

Beyond the Fashion

Beyond the Fashion is our e-commerce platform, offering a wide range of products, from beauty and health to jewelry and clothing. Our online store is designed to deliver premium products with convenient home delivery and shipping services.

Ariyo Batteries

We are a trusted provider of high-performance batteries for household, industrial, and vehicle use. At Ariyo Batteries, we ensure that our products meet the highest standards of quality, reliability, and sustainability.

J K 2004 Enterprise

J K 2004 Enterprise is dedicated to reducing plastic waste by recycling plastics and manufacturing PET bottles. We also produce and distribute mineral water and soft drinks, contributing to both environmental sustainability and consumer satisfaction.

K K 2005 Biodegradable Bags

At K K 2005, we manufacture biodegradable bags from recycled plastic. These eco-friendly bags decompose naturally, helping to reduce plastic pollution and our carbon footprint.

Ice Factory

Our Ice Factory delivers wholesale and retail ice distribution services, along with providing cooling services and ice-making equipment. We cater to businesses that require consistent and high-quality ice products.

Solar System Services

Our Solar Division manufactures, installs, and maintains solar energy products. We are committed to promoting the use of clean energy through solar systems for office buildings, retail complexes, and residential properties.

Food Industry

Our Food Industry division manages the production, processing, packaging, and distribution of

high-quality food items. We prioritize food safety, sustainability, and customer satisfaction in every step of the supply chain.

Sustainability

Our Commitment to a Greener Future

At Bhatkar Group of Companies, sustainability is at the heart of everything we do. From recycling initiatives and eco-friendly manufacturing to renewable energy solutions, we are constantly innovating to reduce our environmental impact and create a positive change.

Key Sustainability Initiatives

- Plastic recycling through J K 2004 Enterprise
- Manufacturing biodegradable products at K K 2005
- Promoting solar energy through our Solar System Services

We believe in a future where businesses can thrive without compromising the environment.
